

Farm and Country-Watch!

Farm & Country Watch is an exciting new service offered by **Sector Security Services** aimed at assisting farmers, landowners and animal owners to protect their property, machinery and livestock.

We have introduced ways in which we can work with you to make your property more secure and give you the peace of mind that a team of experts is keeping an eye out for potential thieves and burglars.

Not everyone's requirements are the same and therefore we can offer you a free no-obligation survey and then work with you to give the best security solution at the most cost effective price. We can look at both long and short term solutions tailored to fit your individual needs

Farm and Country-Watch! Gives you a choice of the following services -

- ✓ Fully monitored CCTV systems with alarm response tailored to your needs
- ✓ A temporary self contained CCTV system which can be placed virtually anywhere at short notice
- ✓ Response to Alarms and Key holding Services
- ✓ High Visibility Patrol Service in New Sign written Vehicles by Licensed and Uniformed Patrol Officers
- ✓ Uniformed and Licensed Static Officers for special duties or events.
- ✓ 24 hour support from a Regional Operations Manager with back up from trained Control Room staff
- ✓ A fully manned 24 hour Control Room.
- ✓ Free warning boards strategically placed around your property.
- ✓ Discounts where there are clusters of sites in your area
